lenovo

Propel Projects.

ThinkCentre A85

Powerful Performance Perfect for Small Business

- Accelerate your team's performance and finish projects more efficiently. The Intel® Core i Processor makes your computer faster, so you can get more done.
- See your progress onscreen. With Nvidia Geforce Graphics, watch your business take shape in dazzling detail.
- Multitask with ease, and collaborate easily with colleagues. DDR3 Memory helps you do more, by storing more data, documents, and downloads.

ThinkVantage Technology and Great Options Bring Results

- Protect your work, save time, and shrink your electricity bills. ThinkVantage Technology lets you monitor power usage, and reduces electricity consumption by up to 69%.
- With easy, software-free setup, the Wireless Keyboard & Mouse help you work more efficiently. The soft finish and spill-resistant design keep your team comfortable, even under your tightest deadlines.
- Position your screen as you prefer. ThinkCentre Extend Arm* enables you to hang the monitor like a portrait, extend it across your desk, or tilt it to let your neck rest.(*Optional)

Peace of Mind Usage, World Class Service

- Secure online transactions and maximize productivity using the Lenovo USB Smartcard Keyboard.
- Protect your PC and its important data using state-of-the-art security technology with the help of the OneKey™ Rescue System.
- The ThinkCentre A85 is backed globally by the Lenovo standard warranty and Lenovo Service & Support.
